Foster Agreement

Thank you for providing a foster home. Your help in saving an animal's life is greatly appreciated by all of the humans and animals who are part of our Rescue. We wish you a very rewarding experience. The following list describes our expectations for providing foster care for a rescued animal so that you and the animal you are fostering will get the most out of your time together.

- ❖ Cats will remain indoors at all times. Cats will not be exposed to any cats who go outdoors.
- ❖ Dogs will be indoors or confined to a safe, well-protected and fenced yard. Dogs will be leashed at all times outside of the yard and will not be tethered in the yard. A proper exercise regimen will be followed as instructed by the foster coordinator.
- ❖ Any food, litter, or supplies needed will be communicated to the foster coordinator.
- ❖ Vet care will be provided only by an authorized veterinarian that is pre-approved by a representative of the Rescue. Medication will be administered as instructed by the veterinarian. Additional supplements will be administered as instructed by the foster coordinator.
- ❖ If, at any time, you, a family member (including pets) or the foster animal is unhappy with the situation, you will contact a volunteer immediately to pick up the animal as soon as can be arranged. (Please do not adopt out, temporarily house or board any animal without speaking to the foster coordinator.)
- ❖ All fostered animals are the property of the Rescue unless otherwise arranged in writing. If you decide you are interested in adopting the animal you are fostering, the foster coordinator can provide you with an adoption application for consideration as with any adoption. The process and adoption fees for foster parents are the same as they are for adopters.
